

Dennis "Denny" E. Galka

September 1, 1948 - November 27, 2020

Colonie-Dennis E. Galka, 72, entered Eternal Life suddenly Friday, November 27, 2020. Born and raised in Albany he attended St. Josephs School, Albany and graduated from Guilderland High School. He was the son of the late Alexander and Genevieve Tomlinson Galka.

He worked for 37 years for the City of Albany Fire Department, retiring as the Quartermaster in 2007. He was a life member and former board member of the PACC. Dad was proud to be Polish, enjoying polka dances, events, and listening to the Rymanowski Polka Program on Sunday mornings. He was Past Exalted Ruler of the Albany Elks Lodge. He was the former President of Guilderland Babe Ruth and was quintessential in the building of the clubhouse at Tawasentha Park. He was former President, Secretary, and Commissioner of Assignments of the Capital District Baseball Umpires Association.

Denny had a passion for baseball like no other. When he figured out that he was not able to play any longer, he turned to umpiring. He worked his way through school, completing Harry Wendelstedts School of umpiring, and umpiring games into the Eastern League of Triple A Baseball. Through umpiring he met some of his best friends, including his best man, retired MLB Umpire Edward Montague. Denny continued to enjoy the love of the game and heat by attending Spring Training in Scottsdale, Arizona where he would meet up with Ed and some of his other retired umpire friends. He spent 55 years of his life officiating sporting events all over the Capital District. In 2014 Denny was inducted into the NY State Baseball Hall of Fame as an umpire, which he held in such high regard. He loved his Los Angeles Dodgers baseball team and was extremely happy to see them win the World Series this year.

Dad loved his family with all his heart and it is bittersweet to us that he went home to the

Lord the same day his wife did 8 years earlier. He cherished the times he got to be with his grandkids whether it be at one of the little league games, backyard cookouts or swim time in the pool.

In addition to his parents he was predeceased by his loving wife Esther Jean Herbst Galka, loving daughter Jane V. Galka, and his brothers Joseph Galka and Rev. Paul Galka OFM.

Dennis is survived by his cherished children Amy Jean (Justin) Gershon, Edward M. (Michelle) Galka, Lee D. Galka. Adored Pa to Michael R. Carlin III, Addison Jean Gershon, Canaan and Vaeda Galka; sister in law Josephine Galka; also, several nieces, nephews, and cousins.

Denny's family would like to extend their gratitude for the care he has received over the years from Michael Gardner MD, and The Advanced Heart Disease Clinic run by Reid Mueller MD and his staff there.

“ I was sad to hear of Denny's passing. Every time I passed his house he would often be sitting on the front porch and I'd beep and he would wave. Once in a while if I had nothing going on I'd stop and talk to him. Always a great day seeing Denny. Will miss walking into Stewart's and seeing him sitting at one of the tables having coffee. RIP brother.

“ Denny brought many baseball memories to many of us umpires. In all our hearts and feelings we loved the game of baseball and we all chipped in to do our best. It was many years ago you assigned but in many cases it was just last season. God Rest your soul. Thank You for supporting all of us. Frank DeSorbo

“ To the Galka family I'm so sorry for your loss. Denny was truly one in a million. I'll miss those phone calls with "hey kid" but more importantly to me his phone call to me years ago with a very important message is something I will never ever forget! You will be truly missed Denny. RIP and keep calling those strikes and outs.

“ So sorry to hear of the passing of Denny. I first met Denny on the field when I was playing baseball and he was umpiring. Denny was a really good umpire and I remember our entire team being happy to see him on the field especially if he had the plate where he especially shined. Denny became a mentor of mine with CDUA and always treated me well. I had the pleasure of working with Denny at the Albany Fire Department as he was our quartermaster. I will miss seeing his infectious smile and his easy way that he made people smile. God bless, I know you're calling balls and strikes in heaven!

“ The Galka Family....

There are so many memories over the years of our family spending time with Denny, EJ, and the kids, there is not enough space to talk about them. We were there for each other in the good times and sad times....Denny falling asleep at the drive-in, snoring like a log and we were laughing with EJ was one of our best memories, along with the umpire picnics every year and just going over for a cookout to hang out.

We know we can all take comfort in that Denny is so happy to be reunited with EJ and Jane. He missed them so much.

Rest in peace, Denny. Give a hug to EJ and Jane for us.

Love,
Lisa and Tom Hart

“ My condolences to the Galka family. The Capital District baseball world has lost a giant. When asked about an umpire's call Denny would always say "I have to see it". What I saw in Denny was a great man who was always fair and considerate. Rest in peace Denny.

“ Denny was the #1 reason I became an umpire in 2009. He had a tremendous passion for the game and I am so glad he got to see his Dodgers win it all one more time. Will miss his fiery quips at meetings and on calls, and always loved seeing him bring the whole family out to the Brooks BBQ's we held at Sorensco.

“ Denny we knew each other since 1963 and went to Guilderland School System. I knew of you as a avid Mets fan and played sand lot ball. I still am but loved Dodgers too. I visited you while you were on sand creek road and would chat and you would stop at our house on Ahl Ave. Always thought of you as one of the good guys and very passionate of baseball. May we meet in the hear after. Our prayers for your family during this time.

“ The Galka family,

I knew Denny thru officiating. I didn't umpire baseball but played in the Albany Twilight League for 10 years. I also officiated basketball and football for many years where I would run into Denny on occasion. Denny was a super nice guy who was liked by many and will be sorely missed by all. I will keep him in my prayers and may he rest in peace.
