

William H. Lloyd

September 18, 1931 - November 16, 2013

Voorheesville-William H. Lloyd, 82, passed away on November 16, 2013 at the Daughters of Sarah Nursing Home in Albany, with his loving family by his side.

William (Bill) was born September 18, 1931 in Albany, NY to Kenneth and Emily (Driggs) Lloyd. He graduated from Albany High School and Hudson Valley Community College, where he was first in his class, earning an Associate's degree in Mechanical Engineering. On February 2, 1953 he married the love of his life, Marilyn Skicki. Bill left immediately for Korea and spent a year serving his country, a duty he was always very proud of.

Bill spent most of his career as an employee of the Delaware and Hudson Railroad. The Lloyd family moved with Bill's various positions within the company. They began in Albany, moved on to Voorheesville, Willsboro, Unadilla, Oneonta and finally back to Voorheesville, where they have lived for the past 42 years. Fearing a family uprising when leaving Willsboro, Bill bought property on the lake and built a camp which remains the "summer home base" for the Lloyd family today. He retired in 1993 as Vice President of Operations of the New York Susquehanna and Western Railroad.

Bill enjoyed reading and fishing, passing this love on to several of his grandchildren. He also took his civic responsibility very seriously and always worked to serve others. He was a man who took great pleasure in helping others and always doing the right thing. He helped each of his children renovate or build their homes as they started their own families. In retirement, Bill enjoyed following the athletic careers of several of his grandchildren, often driving great distances to attend contests.

Bill is survived by his wife, Marilyn; his children, William Jr (Cam); Robin Belzile; Lynn Ann McNaughton; and Sharon (Michael) Conroy. He is also survived by his eight grandchildren Lauryn, Macky, and Rolly Lloyd; Joseph (Margot) and Evan Belzile; Ian McNaughton; and Olivia and Aidan Conroy.

The family would like to express their heartfelt appreciation to Bill's caregivers at

Daughters of Sarah, especially Linda, Rich, Junior and Shannon, who all gave great comfort during a very difficult time.

“ Marilyn and family, Linda and I have known Bill since before we were married. I worked for Bill for 16 years and enjoyed almost every minute of our time together. His enthusiasm and quick wit, often at others expense, kept a light mood no matter the long hours often spent at work or play. We truly are sorry for your loss. Bill was a great guy.

“

To my beloved Lloyd Family,

The world won't be the same without your; Husband, Dad, my/our dear family friend.....

My memories. I look at his picture and it reminds me of the face he would make after one of his jokes (i.e.,The Polish trailer). I fell for that one.

My great life time family memories, always included the Lloyd's. Especially the summer visits to the lake house on Lake Champlain, with my Mom & Dad and family. Then the later visits with Mom (Aunt Martha) Schewe and Aunt Flo Nolan. When the Lloyd's heard Martha and Flo were coming to camp, they would all show up for the good times and laughs. I know Bill was welcomed to heaven by Martha and Bill Schewe, Flo and Bill Nolan for a toast and eventually a night cap.

Then of course my memories of; the six course breakfasts at camp, lunches and home made dinners by Marilyn.The great fishing tips Bill would give me at his secret fishing creeks. The one day I fell in one of the creeks. When Bill heard my splash, he looked, saw I was ok, smiled and went back to watching his fishing line. When I would always see Bill, or say good by, I would hug him just to hear him grumble about a guy hugging him. You know that staunch military background.....

Bill, your spirit will always be with me, each time I wet my fishing line.

Always in my memory,

Love,

Don, Rena and Schewe Family.
