

Angel B. Millora M.D.

May 31, 1938 - October 22, 2024

Loudonville, NY- Angel B. Millora, M.D., was born on May 31, 1938, in Manila, Philippines to Borromeo and Salud Bueno Millora, along with siblings Consolacion Millora Labrador, Antonieta Millora Padua, Romeo Millora, Adolfo Millora, Virginia Millora Abello, and Borromeo Millora, Jr. Angel received his medical degree from the University of the Philippines in 1963. He immigrated with his wife, Anita S. Lansang-Millora, M.D., to Albany, New York in 1965 and became a U.S. citizen in 1982. On October 22, 2024, at the age of 86, Angel joined his soulmate Anita, who predeceased him on December 30, 2011.

Angel was a pioneer in the field of nephrology as a mentee of Dr. John Kiley. He served as chief of nephrology at St. Peter's Hospital (1992-1998) and held medical directorships of Albany Dialysis Corporation and Capital District Dialysis Center. His contributions to the field were recognized in 1997 when he was awarded Physician of the Year by the National Kidney Foundation.

During his early days in nephrology, Angel amazingly managed to find another Dr. Milora (single "l") practicing nephrology in the Capital District. Together, they founded the Capital District Renal Physicians in 1974. He later founded the Capital District Metro Medical Associates, P.C. and the Family Health Care Center in Slingerlands.

From 1965 to 2018, Angel practiced medicine at St. Peter's Hospital, Ellis Hospital, Memorial Hospital, Albany Medical Center, Child's Hospital, Guilderland Center Nursing Home, Albany County Residential Health Care Facility, and Ann Lee Nursing Home. He was passionate about his work as a healthcare provider and continually demanded excellence in care for his patients. He was unapologetic in this regard because he felt it was his responsibility as a physician and human being.

In addition to his work as a practitioner, Angel educated future generations of medical professionals through a multitude of academic appointments, beginning as an instructor at the University of the Philippines College of Medicine through his days as an Associate Professor in the Division of Renal Diseases at Albany Medical College.

Angel and Anita were loving parents to four daughters and their partners, Salina "Gigi" (Randall Pratt), Rosanna "Rosette" (Bryan W. Brown), Clarinda "Rena" (Kenneth Robin), and Melissa "Lisa" (Scott Barbour). Angel was also blessed to be grandfather or "Lolo" to Quentin and Alexandra "Sasha" Millora-Brown; Jaelin, Alexei "Alex," and Annika Robin; and Jasmine "Jazzy" Millora Barbour. He was honored to be chosen as godfather to dozens of children.

Angel instilled in his family a shared love for numerous hobbies including gardening, basketball, golf, bowling, fishing, swimming, tennis, and tossing out math problems at the dinner table. He treasured family retreats to Sandbridge Beach, Virginia, which reminded him of his childhood living in Subic, Zambales. Angel's favorite activity in recent years was experimenting in the kitchen and feeding family and friends his "Boy Scout concoctions."

Angel was steadfast in his loyalty and dependability throughout his life. He believed that if one was in a position to help, then one should. His generosity was unlimited, driven by a genuine desire to do good in the world and make it a better place for others. Along with his wife Anita, his love and support for his family was unwavering. Together, they will forever be in the hearts and souls of their children and grandchildren.

Relatives and friends are invited to visit with Angel's family Saturday, November 9, 2024 8:30 am to 10:30 am at St. Pius X Church, Loudonville, NY. His Funeral Mass will follow at 10:30 am.

“ I am a younger cousin in law of Kuya Angel, and I will always be thankful for making me feel so welcome when I arrived in the US back in the '90s looking for work as a doctor. He drove me to my interview in Worcester, MA when I was just supposed to take a bus. He waited for me all day and we didn't arrive back to their home until it was dark. He and Ate Annette helped me in countless ways to get me started. We will always cherish our visits to your home. He was truly a great steward of his God given talents.

My name is Maria Chiong Millora and the first cousin of Kuya Angel Bueno Millora. My partner Myrna & I send our love, prayers and condolences to Kuya Angel and Ate Annette's children and families, the Lansang- Bueno and Millora families! I'm sorry, I did not have much recollection about Kuya Angel since he left to go to USA in 1965 when I was still in my 3rd year in high school! But with my brief encounter with him, I found him as a good son, a good sibling and a good cousin when our paternal grandmother and I used to go to Subic, Zambales to visit Uncle Borromeo and his family, who is the older brother of my late beloved father and the late beloved father of my Kuya Angel! I phoned him in New York when I moved to Edmonton, AB Canada to say hello and caught up with some family pleasantries! Despite all his successful achievements and outstanding medical contributions, he remained such a friendly, dedicated, caring, kind and a humble person! He was a beautiful person, inside and out! We are indeed very grateful to God, blessed, proud and happy to be a part of his family! We'll love and miss you always Kuya Angel! May our Almighty Father with all His angels and saints happily receive you in His Heavenly Kingdom to join your beloved wife Ate Annette in Heaven! Rest in peace now, Kuya Angel. We'll offer mass for the eternal repose of your soul! 🙏❤️🕊️🇺🇸🇨🇦

“ I'm a retired Nurse Practitioner. I knew Angel for many years, and often ran into him at various area hospitals as we both saw patients. He was always a pleasure to be around...always helpful, always pleasant. I have nothing but fond memories of him.
