“ My hero, my rock, and one of my favorite people in the world. You helped shape in into the woman I am today. I will miss our shopping trips and weekly phone calls and morning coffee on the couch, but I have so many years of beautiful memories to take with me. I know you'll watch over me every day from heaven, as you've looked out for me for all these years on earth. I love you, Gamma. Some day we'll see each other again.
