“ Chris & Jennifer,

How can I begin to tell you how sorry I am about your Dad. He was a very special person and so was your mom. I have such great memories of them and how good they both were to me and my family. They will always hold a special place in my heart. Cherish the memories and that way they will always remain in your heart. Just know that you always have friends who truly care and will be there to help you at this sorrowful time.
