“ *Mr Durni once helped me out with a domain problem. He barely knew anything about me but he was so happy to help me. I was probably a total stranger to him, but we discussed business like we were friends. The world of business needs more people such as yourself.*

You will be missed..

“ It was indeed a privilege to know Gavin and to have him as one of our great domain clients for .co.ke in Kenya. All of us at sawasawa.com are still shocked at the sad and sudden news of his death. I had a great phone call conversation with him on friday the 16 th of May. We have lost a client and a friend. We pray that his family will find strength, peace and consolation at this most difficult time. May his soul rest in peace.
