Mom was a proud resident of North Albany for over 60 years. She was devoted to her family and lived her life exactly as she wanted. As this past Christmas approached, Mom wanted nothing more than to be home for Christmas. The family was determined to make that happen. What a great Christmas Eve party Mom hosted! With the help of Albany Community Hospice and the great care given by her Grand-daughters Stacey & Kelly who brought Mom into the 21st century by having internet installed in her home, so they could work from Mom's home every day to care for her and Grand-daughter Emily who visited often with Mom's only great-grandchild, Keegan. Emily and Keegan brought the family so much joy and happiness over the past few months. We cannot forget Philip, Mom's

Grandson who lives in New York City for all his support and sense of humor to keep us going through this journey. We love you Mom & Nanny, always have and always will.

Last but not least, the wonderful Albany Community Hospice team of Sue, Connie, Beth and Trish without their kindness, respect and guidance bringing mom home would not have been possible. Thank you all so much for being our angels here on earth. A special thank you to Fr. Butler for all his kindness and prayers.
