“ Jim I will love you forever. I've known you for over 30 years and lived with you for the best 5 years of my life. You are the love of my life and I know I am the love of yours. It breaks my heart that one evil person destroyed our wonderful relationship, but in my heart you will always be. We will be together again in heaven where evil isn't allowed. Just me and you. Until then I will cherish every moment we spent together. You are one of a kind and I'm so thankful for the love we still have. RIP and wait for me. xxxooo

“ Dear family of Jim Oddy,  
May the Good Lord bless and comfort you during your bereavement as Jim's soul enters the Kingdom of Heaven to eternally dwell with our Lord Jesus Christ. I worked not far from Jim in Building 7 of the Harriman State Campus in Albany for many years, and I always found him to be a nice and delightful gentleman. I will miss him and the interesting conversations that we used to have. Respectfully,  
Jim's friend Al Heitzman (General Soils Lab, NYS Department of Transportation).
