“ My sister Jo-Ann and her Beautiful Daughters, Jo there are no words to express how you feel unless you have been there for this I am sure. 51 plus years is a long time to be with someone to share your life with. The ups and downs the good and bad you were always there for each. You shared the most precious gifts, your girls that you are so very proud of. I am so grateful I was able to see John the last time I was in New York and to be able to say Happy New Year to him one last time. John had his quirks but that made him (John).
Brenda, Maryanne and Patricia your Dad was a wonderful man set in his own ways. But, he loved you three unconditionally. He always expressed that. Be proud to call him Dad. He was proud of his Grandchildren too.
Brenda that was a beautiful obituary you wrote, you caught your Dad at his very best..Prayers and Love To All Of Your Family
