“ *I'm sorry that I heard of John's passing only recently. I drove by his house the other day and was wondering how he was doing. I worked with John for 4+ years at SEMO and after my departure he prepared my taxes. John was always a true gentleman who had respect and consideration for others. He was a meticulous worker with an eye for details. As others have mentioned, John always had pictures and stories of his many, many offspring and he always beamed with pride. I will miss John and I am sorry for your loss.*

“ Elizabeth, and Judy, my prayers are with you on your loss. May all the happy memories you shared with him ease his physical loss. I Knew John from my days at State Bank, and found him to be a down to earth person, who was easy to work with. This past June I sat next to him at the Quarter Century Dinner in June, and had a nice chat with him. May God comfort you and you families.
