“ Jake was a great man. I enjoyed many day's at the pacc with jake. I still remember going on a cruise with members of the PACC and Jake knew my wife would be in a wheelchair and he and Emma took us under their wing and made sure we had a great time which we did. His kindness still touch's me to this day. RIP until we meet again.

“ "Jake" as I knew him was one of the kindness man I ever met in my years in the construction business. I also learned a lot from him. He was one of the smartness excavating contractors that I was associated with in my career. He never had a bad word about nobody no matter how bad they treated him. Always had a great smile. If anybody deserves a special place in the place beyond he dose. My condolences go out to all his family who he was very proud of.

“ Big JAKE was always very helpful to me I'll never forget that very helpful guy. I have only seen it a couple of times, but to watch him in an excavator doing a job was a sight to see. I don't think there was anybody better. Every once in a while, I would see him at breakfast time at Jack's. He always offered to pay for my breakfast, but we had a shoe left there. He will be sorely missed. I say with a heavy heart to my sister-in-law Tina may he rest in peace I think that would be.
