“ Dear Uncle Al, Aunt Mary, Linda & Family,
I was kind of shocked & I am very sorry to learn about the recent death of my cousin, John, your beloved son & brother. John was such a kind, soft spoken, bright, wonderful man. I have many fond memories of time spent during our childhood at Babci's, your backyard on Orange Street with that beautiful playhouse, & St. Casimir's School. Most recently, we had many friendly chats at the Honest Weight Co-Op & quite interesting & spirited debates via cell phone during our recent Presidential election. I hope that you can find some comfort in knowing that you are all in my thoughts & prayers especially during this difficult time. I am sure that John is at peace with God. I hope that your grief is replaced over time with many wonderful memories of John. I hope that your broken hearts are mended by God's love & the care & concern of family and friends. Rest in Peace John. My deepest sympathy and condolences to all of you. Love.
