“ I am just hearing about Larry's passing today. I'm am just so sad. I have many fond memories with Larry. He was wonderful to my children. I lost contact with Larry in the last several years however always wondered how he was. I remember speaking to Mr. Menetto a few years ago and him telling me how Larry was doing. RIP Larry and my deepest sympathies to Mr. Menetto and his family.

“ Dear George Menneto,
Deepest Sympathy on the passing of Laurence. I have tender memories of accompanying him to his doctor's appointments with you, when he was at Schuyler Ridge. I enjoyed his wit and warm engaging spirit in the face of so many health challenges. I will not be able to come to the funeral mass but I will join in prayer for his blessed repose.
