“ I am saddened to read about the passing of Linda. She was my best  
friend when I came to School 19 in 2nd grade. We did everything  
together. She was a wonderful artist even then and we spent many  
hours sharing our love of art. Linda and I went all through school in  
the same class and graduated from Albany High School. She will  
always have a special place in my heart. My condolences to all of  
her family.
