“ *To our Ms Loie's family,*

It has been my blessing and honor to have been Lois' friend for 50 years. I have counted her as my dearest friend through all these years. We lived and shared so much of life together. Sometimes we were able to be in very close contact, sometimes life would get in the way and we would not touch base with each other for far too long, but we always knew each other was "out there" for the other. She was such a kind, generous, loyal and gracious friend. I loved her.

My children, Dean, Chris, and Paula all have such fond memories of their Ms Loie. Please know in your hearts that she was loved by each of us. Our love is extended to each of you during this difficult time.

*Love,
Nancy, Dean, Chris and Paula*
