*Tommy and Joe iam really sorry to hear about your mom. She had some great children that I got the opportunity to grow up with. and still remember to this day from the time I was 10 years old. She was a loving careing person that was carried on to her children. I always remember her as a beautiful nice spoken woman. Who now has gone a head of us to carrier on with the Angels and to look over her family like she did here on earth and help the other Angel do their work for God and be there with your father and help him lead the way when it's others time to come and be with them and lead them in to the heavenly lights. She is at peace now and smiling over you all as she watch's you. remember she will always be with you in your heart and no one can take that from none of yous. Take care of each other in this time of need. Leslie Jones St Andrew and family*

*It is with sadness that I read this obituary given the grief experienced at the loss of a loved one here on earth. Happily for her, though, it is a period of celebration and relief during this period in which the birth of our Lord and Saviour is being commemorated. May God's blessings help you all.*

*Jill, I'm so sorry I missed the passing of your mother. I know you were a devoted daughter and tried so hard to make her life enjoyable.
