“ Dear Chris and Marian,  
I am so sorry for your loss. I have been blessed with knowing your mom (and your dad, too) and have for many years had the privilege of making lenten church visitations with her around Albany, as is traditional in the homeland. I've missed her company in the last two years, since she would always have a sandwich or lunch ready when I pick her up, before we start driving to the different churches. Of course, she also had already planned what we'll have for dinner after church service and will ask me to call her when I get home, so she knows I made it home safe.

I have her in my prayers and I also pray that the good Lord comfort you in this time of loss. I am sure your parents are looking after you and your loved ones. I am sorry I will be unable to be at the church service.

God bless, Belen Pangilinan

“ Marian, Jim,

So sorry for your loss. I remember visiting and your folks' home in Colonie way back in the 1970s. Funny how time flies. My thoughts are with you.
