“ *I remember my cousins from Albany as when we were kids my Dad would frequently visit the farm. I loved to go because we got to eat home made ice cream at the bakery. Because of distance and aging everyone from her generation have not gotten together often, but my memories are wonderful and she will be missed. Unfortunately, we will not be able to make it to the ceremony as we are in the midst of another COVID infection. John Femino, MD. Foster RI*

“ Unfortunately Pam and I are not up to making 7 hour one day trips any more so I apologize for not being able to share with you how special my cousin Mary was throughout our lives. You, her extended family, have had a role model for marriage and caring for multiple generations. She will be watching from heaven and you will still feel her presence daily.
