“ I am Kaye Self , CNA for Pathways, it was truly an honor and a blessing to care for Ginger, she was always smiling at me in the morning when I entered her room with a hello even when she was unable to see me. It was my pleasure to have the opportunity to care for our sweet Ginger and she will be missed. I thank you for entrusting her care to my employer and it was my pleasure to have been blessed by Ginger's love and appreciation. Rest in peace my friend.
