“ *You were a beautiful wife, and a good mom! You will be missed more then you ever could of imagined. We will always hold you close to our hearts. You came home and and found your way with the kids and I. You had what you always talked to me about when you and I were not together and that was your family again. We love you so much and we will make you proud of us as we were so very proud of you. Till we meet again, love you baby*
