Albany - Theresa Filomena (Carbo) Oddy, age 93, entered Eternal Life Saturday, September 8, 2018 at Carmel Gardens Memory Unit, Teresian House where she was a resident for 6 years. Our family experienced the expertise and devotion of Carmel Gardens staff in caring for our mother. The patience and compassion needed to care for motor and memory deficit patients is immense. They demonstrated a level of expertise daily creating a safe nurturing environment. We are indebted to these medical professionals who have the gifts and talents and stamina to care for our affected Loved ones. You have our deepest gratitude and admiration. Alzheimer's is truly the long slow goodbye and you were there at every step. You are our Hero's, Thank You!

Mom was born on September 30, 1924 in Caserta, Italy, to the late Filomena DiMaio and the late Francesco Carbo, Theresa was the loving wife of the late James B. Oddy for 54 years. She was preceded in death by her brothers: August, John, and Salvatore Carbo and sisters: Mary Sgroi and Anna Ellers.

Our mother was a proud woman who believed there was no obstacle in life that could not be managed. She was diagnosed at age 72 with dementia of an Alzheimers type.
