“ My sincere sympathy to Tom's family. Tom was my supervisor at the State Comptroller's Office for several years. There are many memories of interesting times and lots of laughs both at work and at the monthly ROB lunches. I will miss him.

“ Our deepest condolences to Tom's family. I worked with Tom at the State Comptroller's Office. Tom was a great guy, and I had a lot of fun working with him. There were many memorable moments working with Tom. But some of the most memorable occurred on a trip that Tom, Jerry Greene, Marv Loewy and I took to Myrtle Beach over an extended weekend to play golf - enough said about that. We will all miss him.

“ Barbara & Marvin Loewy express their sincere sympathy. Marv worked with Tom for many years. We shared many happy times and we went on vacation with him in Myrtle Beach many years ago. It is very sad to have him leave so young.

“ Although Tom and I went to High School and College together, it was many years later that our friendship developed. More recently, I would speak to him about once a week planning lunch for the group. Tom always seemed to know of a new place. Many lunches over the years with Tom and Art. I will miss him.
