“ I am so saddened to hear of Victor’s passing. Victor and I became friends due to the fact that he was a police officer in Italy and I am here. He was one of the most compassionate men I know. His love for Judy and John was like no other. John I am truly sorry for the loss of both your mom and dad they were both such wonderful loving people. My heart has a hole in it since I found this news Victor I will miss laughing and joking with you all our wonderful conversations you were quite a man
