“ Uncle Bill,

We have so many wonderful and cherishable memories of you. When we were kids you would always come to visit us on Sundays, and bring Necco wafers as our treat. Necco candies always make us think of you! Every Halloween you would come to our house and handout candy while our mom took us trick-or-treating. Thank you for being apart of our childhood and creating memories with us that we will treasure. You will be missed...we love you!

*Love,
Kelli and Keven xoxo*
